

## EXCETEK ED2200C

Call for pricing

[1-815-597-5341](tel:1-815-597-5341)

Excetek manufactures Sinker EDM models for large applications.

- Featuring fixed tables for large and heavy molds and dies.
- Part weight does not affect the machine positioning accuracy, because the part does not move.
- X,Y,Z axis motion is independent of the table.
