

## EXCETEK HD35Z

Call for pricing

[1-815-597-5341](tel:1-815-597-5341)

### Standard Features:

- Provide 9 sets of material with multi electrode size condition selection & save function
- Z-Axis auto zero function for easy of monitoring cutting depth.
- Z-Axis end of sparking with auto move up function to reduce operation step
- Sparking depth electrode consumption estimates setting function
- Reduce start hole sparking burr function
  - Reduce in/out hole size difference function
- Standard 3 Axis Digital Read Out display
  - Provide each axis zero key function
    - Inch/mm display function
    - Z-Axis AC Servo motor

**Categories:** [New Machines](#)

## ADDITIONAL INFORMATION

<b>Work table size (WxD)</b>	23.62 x 11.81 in
<b>X/Y axes travel</b>	13.78 x 11.81 in
<b>Z axis travel</b>	13.58 in
<b>W axis Travel</b>	13.78 in
<b>Electrode size</b>	Ø 0.15 ~ Ø 3.0 mm
<b>Maxi. electrode length</b>	15.75 in (400 mm)
<b>Maxi. workpiece height</b>	13.78 in
<b>Maxi. workpiece weight</b>	815 lbs
<b>Machine weight</b>	2,204 lbs
<b>Input power</b>	10.50 A (4.0 KVA)
<b>Machine dimension</b>	63 in x 56.7 x 89.4 in
<b>Power Needed</b>	220 v +5%, 3 Phase, 60 HZ
<b>Power Capacity</b>	10.5 A (4 KVA)
<b>Air Needed</b>	100 psi
